## Testimonials

"The Nine Habits of Trust Framework is used to promote deeper thinking about how executives operate, how they process their thoughts, and how they act as individuals. I believe the Nine Habits of Trust model that we are now rolling out, is going to further enhance our business and support our future success."

| **NAHL CEO** |

**CAPITA**

"We know how integral trust is to culture, and in turn to achieving results, so to have a way to measure trust levels has been invaluable."

Cath Possamai, CEO, Capita RG  
| **Capita RG CEO** |

"Habit No.2 - choosing to coach - is a key habit for us and also Habit No.6 - choosing to be humble. We've got 5,000 employees and 3,500 of them are warehouse workers or drivers so it's really important for the leadership team to just be 'normal' with everybody in the business"
